

Water Spray Feature at Langdon Playlot

What?

A water spray feature at Langdon Playlot for children to play in during hot summer days

Where?

Langdon Playlot located at 1754 W. Albion

Why?

Langdon Playlot is one of the more western playlots in the ward. This playlot serves a community that doesn't have as easy access to the lake to cool off in the summer as the rest of the ward

How Much?

The total cost for the water feature (including drainage installation) is \$250,000
